## BIG TREAT FOR YOUNG AND OLD

Buckeye Corn Special Tours  
Grow in Popularity.

OF EDUCATIONAL VALUE

President Wilson Will Receive Party  
While in National Capital—Philadelphia and New York Also On Itinerary—Trip Will Last One Week.

It is expected that fully thirty hundred of Ohio's most progressive citizens, including the winners in the various Junior Contests, will be members of the Buckeye Corn Special Tour, which leaves Monday, Nov. 20, on a sight-seeing tour to Washington, Philadelphia and New York, and which will last one week.

The party will be transported over the Pennsylvania lines by seven special trains composed solidly of standard Pullman sleepers, electric lighted, steam heated, safe, sanitary and comfortable. Each car will have its colored porter ready to respond at the press of a button. Meals en route will be served in dining cars. The party will stop at the best hotels in Washington, Philadelphia and New York. It will travel as millionaires travel.

The Buckeye Corn Special Tour has developed into a great annual state-wide excursion in the interest of education and social uplift. The Agricul-

President Agricultural Commission of Ohio. Father of the Movement.

tural Commission of Ohio, under whose auspices it is conducted, has thrown it open to the public. All are invited—old and young.

Into that week, Nov. 30-Dec. 5, will be crowded as much sight-seeing as the ordinary party sees in a month of travel. An individual could hardly hope to duplicate the service of the 1914 Buckeye Corn Special Tour at twice its cost. In fact, the Buckeye Corn Special party will be accorded honors and privileges which the ordinary party could not buy at any price.

There will be two full days of sight-seeing at the National Capital, including a boat trip up the Potomac to Mount Vernon, the home and tomb of George Washington. On Wednesday, Dec. 2, the party will be received by President Wilson at the White House. While in Philadelphia the Buckeye Corn Special party will stop at the Bellevue-Stratford, the hotel at which prices, presidents and other notables are entertained. The mayor of Philadelphia will deliver an address of welcome in the court yard of the Municipal building. The sight-seeing in Philadelphia will consist of a tour of

John Wanamaker's great store; Masonic Temple; the Curtis Publishing Company building, the home of The Saturday Evening Post. The Country Gentleman and the Ladies' Home Journal; Congress hall; Independence hall, where many of the relics of the Revolutionary War are exhibited, including Old Liberty Bell; the grave of Benjamin Franklin; the Betsy Ross House, the home of the American flag, etc.

The afternoon will be spent by a boat trip to League Island. Uncle Sam's greatest navy yard. There a special military drill and band concert will be tendered the Buckeye Corn Special party. Following that entertainment, an opportunity will be afforded for spending an hour upon a great battleship.

A banquet at the Bellevue-Stratford and a theater party at Keith's will constitute the evening program of the day spent in Philadelphia. The special trains will be boarded at 11 p. m. for the run to New York city.

The day in New York promises to prove the red-letter day of the tour. The day will start with breakfast at the famous Waldorf-Astoria. The sight-seeing includes St. Patrick's Cathedral, the Grand Central Terminal; Bronx Zoo, the largest collection of animals in the world; a ten mile ride under the city on subway trains; the Aquarium; a boat tour of New York harbor, affording a view of the Atlantic ocean, Statue of Liberty, Immigration Island, Brooklyn Bridge, etc. The boat trip, with luncheon aboard, is a complimentary entertainment by the Chamber of Commerce of the state of New York. Hon. Seth Low and other notable men of New York are manifesting great interest in this unique movement.

After the boat trip the party will tour the skyscraper district and then board elevated trains, to be carried to the Marquette and McAlpin hotels, where the party will banquet in two divisions. The evenings will be spent at the Hippodrome, New York's largest theater, where the party will witness that great production, "Wars of the World." From the theater to the Pennsylvania railroad station the party will walk down the "Great White Way." At 11 p. m., Friday, Dec. 4, the Buckeye Corn Special party, in seven special trains, will start on the homeward run.

The going trip will take the party through the mill and mine districts of Pittsburgh by night. Pittsburgh by night reminds one of Dante's Inferno. It is a thrilling sight—those mighty tongues of flame and smoke. On the return trip the Allegheny mountains will be crossed shortly after daylight and many of the party for the first time will see a mountain.

### WHAT IT WILL COST

Adults Can Make the Trip For From \$56.25 to \$59.25.

The tour costs juniors (unmarried persons under twenty-one years) \$49.50 to \$49.90, and adults \$56.25 to \$59.25, according to the station at which the Buckeye Corn Special is boarded. This cost covers absolutely every regular expense incident with the tour, from the time of boarding the Buckeye Corn Special to the time of leaving it upon the completion of the trip. Those desiring additional information should address T. P. Riddle, Lima, O.

### MEALS AND BERTHS

Special Regulations to Be Observed On Corn Special Tour.

Meals start with breakfast upon arrival at Washington. Parties who board the Buckeye Corn Special before supper should carry lunch sufficient to carry them until breakfast, Tuesday, Dec. 1.

All juniors shall be assigned two to a berth, both upper and lower. Adults shall be assigned one to an upper and two to a lower.

### LIKE REGULAR ARMY

Corn Special Party Will Be Divided Into Regiments.

Each succeeding year sees the Buckeye Corn Special party grow in size, until the present year it has

attained the proportions of a small army. In 1912 only 372 persons availed themselves of the opportunity to visit the national capital; in 1913, the number increased to 832, and this year it will reach fully 1,500. The Revolutionary War are exhibited, including Old Liberty Bell; the grave of Benjamin Franklin; the Betsy Ross House, the home of the American flag, etc.

Adults to Travel Separate.

One or more cars of each train will be reserved exclusively for adults.

MRS. JOSEPHINE L. NESBITT,

who may prefer to travel separate from the boys and girls of the party. It is estimated that there will be 500 adults in the party.

### Girls to Be Chaperoned.

Certain cars of each train will be reserved for the girls of the party. Likewise exclusive hotel accommodations have been provided. Each company of girls will be chaperoned by a competent matron. However, ample opportunity for acquaintance and sociability between girls and boys will be afforded while on boat trips, at banquets, at theaters, etc.

### Physician On Each Train.

A physician will accompany each train. However, the physicians who accompanied last year's party reported upon the completion of the tour that they had nothing to do on the tour except to give a little good advice against over-eating and against wearing new shoes on a sight-seeing trip.

### BOY SETS RAPID

### PAGE FOR ELDERS

Grows Record Corn Crop by  
Mixing Brain With Brawn.

This seventeen-year-old boy, by mixing a little brain with brawn, raised 153 bushels and 47 pounds of shelled corn on one acre. On the day that he husked his corn it had a market value of \$96.92 for shipping purposes. Fed to stock upon the farm at the price of meat prevailing on that date its value was \$145.38. It cost Arnett Rose \$36.70 to produce that acre, allowing for labor, land

rental and every expense properly chargeable against it. One hundred and eight dollars and sixty-eight cents is a conservative estimate of the net profit of that acre. Ohio's average net profit per acre is \$7.22. Arnett Rose's yield figures a gain of \$101.46 per acre over the average net profit. Ohio is devoting 4,000,000 acres to corn each year. If the farmers of Ohio were to accomplish what this boy of seventeen accomplished, it would mean a gain of \$405,840,000 each year. In five years this would double the business of every bank in Ohio.

### WILL HAVE MUSIC

Many Bands Seek Honor of Accompanying Corn Special.

The popularity of the Buckeye Corn Special Tour is demonstrated by the fact that forty-seven bands have filed applications to accompany the party on the Washington-Philadelphia-New York trip. Last year Hart's Boys' Band of Hicksville accompanied the Buckeye Corn Special party. The boys made a hit. This year an effort is being made to secure a girls' band to lead the girls' division of the party and a boys' or men's band to lead the boys' division.

### BOYS BREAK SOD

Preparations For Next Year's Corn Contest Under Way.

An army of Buckeye boys is breaking sod for next year's battle of ears. Far-sighted citizens all over Ohio are beginning to realize that the junior contest is one of the most effective means for creating an interest in scientific farming. Bankers, merchants and others who realize that agriculture is the foundation of business are getting behind the movement with liberal financial support in the way of prizes for the best yields.

### Special Prizes Offered.

Mr. Charles S. Caldwell, president of the Corn Exchange National Bank of Philadelphia, offers \$100 in cash prizes for the best three ears of corn exhibited by members of the Junior Contest of the Buckeye Corn Boys. These prizes are divided as follows:

First Prize ..... \$50.00  
Second Prize ..... 25.00  
Third Prize ..... 15.00  
Fourth Prize ..... 10.00

## Sal Vet

For Hogs, Sheep, Horses and Cattle

Do not be the man who locks the stable door after the horse is stolen. Do not wait until cholera breaks out in your own immediate neighborhood before you try to save your herd. An ounce of prevention may mean the saving of many hundreds of hard earned dollars. Begin feeding "SAL VET" now; do not wait until the scourge carries away your herd. Your only hope lies in prevention, and the time to act is now.

The first step is to get rid of the disease-breeding, treacherous stomach and intestinal worms—the pests that not only rob your animals of their food, but, what is still worse, sap their vitality, and make them easy victims of cholera and other contagious diseases. We do not claim that "SAL VET" will cure cholera, but we do say that worms are often so deadly in their attacks that they are often mistaken for cholera itself.

Kid your hogs of these disease-breeding pests. Do as thousands of other farmers are doing, feed "SAL VET"—get rid of the worms—and you will have less to fear from cholera and other fatal diseases.

Do not buy imitations, or, as they will tell you, "just as good," but buy the best and genuine

## AUGLAIZE BOY FAILED TO LAND

In Corn Contest—Mercer County  
Lad's Fine Showing.

Auglaize County did not get the distinction of having the champion corn boy this year in the person of Merl May, as was figured from the early returns from over the state.

Young May raised 143 bushels and 26 pounds of corn on one acre, and for a time it was thought he was the winner, but Arnett Rose of Allen County came along with a showing of 153 bushels and 47 pounds from one acre. Mr. Rose was the prize winner last year, and was able to come back.

Clarence Gehm, of Liberty township, fourteen years of age, was the winner this year in the corn contest among Mercer County boys. Clarence raised 136 bushels and 40 pounds of his acre. Last year he raised 81.6 bushels, so you can see he has been profiting from his last year's experience. Clyde McGilvery of Union township, won last year's contest in the county with a record of 109.4 bushels. The boys are surely showing the old folks what can be raised on an acre of Mercer County soil.

### ROSE FROM THE RANKS

Lord Roberts' Passing Was a Shock to the English People.

London, Nov. 16.—Field Marshal Earl Roberts, who died suddenly from pneumonia while in France, where he had gone to greet the East Indian troops, was eighty-two years old. Roberts was the hero of nine wars and the most popular military figure in Great Britain. Despite his years he had never ceased hard work since his nominal retirement. Scion of a noble Irish family, Lord Roberts was born in 1832 in Caspurne, India, where his father, General Sir Abraham Roberts, was serving. He rose from the ranks and served with distinction in the Indian and South African campaigns.

### EARLY DECISION LIKELY

Liquor Case Will Come Before the Supreme Court on Friday.

Columbus, Nov. 15.—The first legal battle between attorneys representing the drys and the wets on the question of a recount of the vote on the home rule liquor amendment will come in the supreme court at 1:30 o'clock Friday afternoon, when the case will be heard on its merits. An early decision is anticipated. The main question involved in the case is whether there is any legal authority for recounting the vote cast on a constitutional question. That there is authority, will be disputed by Attorney General Hogan and his assistants, who will represent the secretary of state. Should the court find there is sufficient legal authority to cause a recount to be made, then it will consider the charges of irregularity urged by the drys to determine whether they constitute cause sufficient to order the recount. Should the court find there is no authority compelling election officials to make a recount, then the fight of the drys is lost. They then expect to appeal to the general assembly to enact legislation providing for a recount, so they will have a weapon to fight with in subsequent elections.

### Booms Graves For Governor.
